These "Nuremberg Trials" paved the way for today's international criminal justice. The City accepts its responsibility in view of its history, and therefore endeavors to become a "City of Peace and Human Rights". Messiah – singers needed! The German-American Community Chorus has started rehearsing for its anniversary performance of Handel's Messiah, planned to take place on the first weekend in December. Though intensive rehearsals will only start up in May/June, anyone who would like a gentler introduction to the work – mixed with lighter fare – is very welcome to join in now, or even just listen in. A good idea if you have never sung Messiah before (but have always wanted to), or if it's a long time since you sang it (at college?). It's also a great way to get to know people of many different nationalities. The Chorus currently practices each Monday at 7.30 p.m. in the Chapel Annex, Robinson Barracks. Rehearsals generally take about two hours, interrupted by a refreshment break. As well as its musical activities, new members can look forward to numerous social occasions, outings, etc. For general information on the Chorus visit www.sgacc.de. For details contact David (0711-463 463) or Noreen (07231-52226); e-mail: noreen.odonovan@arcor.de or beckner.dandr@t-online.de
